- Weight: 125g
- Diameter: 4.6cm
- Dimensions: 68x47x102mm

Strong and durable
Thanks to the special formulated gel, the holder adheres to any flat surface. The aluminium structure ensures both stability and strength. The Universal Desktop Stand for Smartphones is easy to clean with a wet cloth without losing its adhesive strength.

For all smartphones
All smartphones up to 6,4 are supported by the stand's compact and tilted shape. Even smartphones with a protective cover are hold by the EW1271.

Ideal for Video conference
The tilted shape is perfect to maintain video conference calls.
